## *Registration Open for ULPA Installer Workshop*

UNITED LIGHTNING PROTECTION ASSOCIATION

### 3rd Annual Installer Workshop

January 9-10, 2020, Charlotte, N.C.

## **Register Now for the 2020 ULPA Installer Workshop**

Back by popular demand! The United Lightning Protection Association (ULPA) is hosting the 3rd Annual Installer Workshop in Charlotte, N.C.

The workshop is geared toward lightning protection installers and crew leaders to provide a two-day collaborative format where participants can engage in open discussions and brainstorming. Topics from last year's workshop included: crew management, safety, best practices, field techniques, tools of the trade, LPS design and certification.

Visit the links below for information and details about hotel accommodations, ULPA discounts and more. Register online for your convenience. Multiple participants can be registered at one time by simply clicking "add" for attendee entries.

**WHEN:** January 9-10, 2020

**WHERE:** Embassy Suites, 4800 South Tryon Street, Charlotte,

NC
