

## **MOST INNOVATIVE DESIGN AWARDS**

RESIDENTIAL

COMMERCIAL - EXISTING BUILDING

COMMERCIAL - NEW BUILDING

**The purpose of the Innovation Awards is to provide recognition to LPI Members and an outside individual or firm for their collaboration on the design and installation of a lightning protection system. Awards are given to a person/firm that demonstrated early coordination with an LPI professional to design an innovative solution to improve the aesthetics of the lightning protection system on a noteworthy structure.**

### **CRITERIA**

- Nominator must be an LPI member.
- Recipient may be an individual or firm: architect, engineer, or specifier (ie. roofing consultant).
- Project must be completed within the time frame of January 2022 through December 2022. Clarification: Project may have started in a previous year, however it must have been "completed" in 2022.
- Must show proof of "early coordination" by providing the following:
  - Signed form by nominee that verifies coordination
  - Technical/engineering drawings
- Submit 2-3 real life photos of completed job (more photos may be submitted).
- Brief description of the project: tell us about the process and how this person/firm made the project successful.

### **SUBMISSIONS**

**All submissions are due by December 23, 2022.**

- Complete LPI Member Submission Form
- Complete Nominee Form, including signature from the nominated party Email
- LPI Member Submission Form, Nominee Form and all supporting documentation to Kelley Collins at [kcollins@lightning.org](mailto:kcollins@lightning.org) by December 23, 2022

### **JUDGING**

The LPI will convene a committee to review the submissions. For the first year, the committee will consist of the manufacturing members of the Board of Directors; any person/company that submits an entry will not be allowed to participate in the review committee. Awards will be given to those who best represent the outlined criteria. The LPI member and winner will be notified by the end of January.

### **PRESENTATION OF AWARDS**

The Lightning Protection Institute will award the winners at the annual 2023 conference to be held at the Luminary Hotel in Ft. Myers, FL in February 2023.

#### **LPI Members and Award Winners will receive:**

- Announcement at Annual 2023 Conference
- Recognized on social media
- Included in the LPI website homepage of rotating features
- Shared with other industry organizations that are appropriate
  - Example: If an AIA member is included as a winner, LPI will share with AIA as well as other appropriate organizations.
- Press release
- Plaque
- Recognition in publications/newsletter
- Annual LPI Membership for one year (Nominated non-member)
- Nominated winner receives one paid flight (up to a \$600 value) and one/two night hotel accommodations to attend the award presentation at the conference
