LPI LIGHTNING PROTECTION INSTITUTE

INNOVATIVE DESIGN AWARD FOR 2027

NOMINEE FORM

Congratulations! You have been nominated for the Lightning Protection Institute's Innovative Design Award for 2027. This award is given to an individual and/or firm that demonstrated early coordination with an LPI professional to design an innovative solution to improve the aesthetics of a lightning protection system on a noteworthy structure.

Please confirm your personal information and verify that you understand you have been nominated. Winners will be notified by mid-January 2027.

Name of Project _____

First/Last Name _____

Name of Firm _____

Role/Position _____

Address _____

Email _____

Optional: Please add any additional comments or information that you would like to share about working on this project.

I confirm that I had early coordination with an LPI member on this project completed in 2026. I understand that this information may be used for publication or for public relation purposes.
